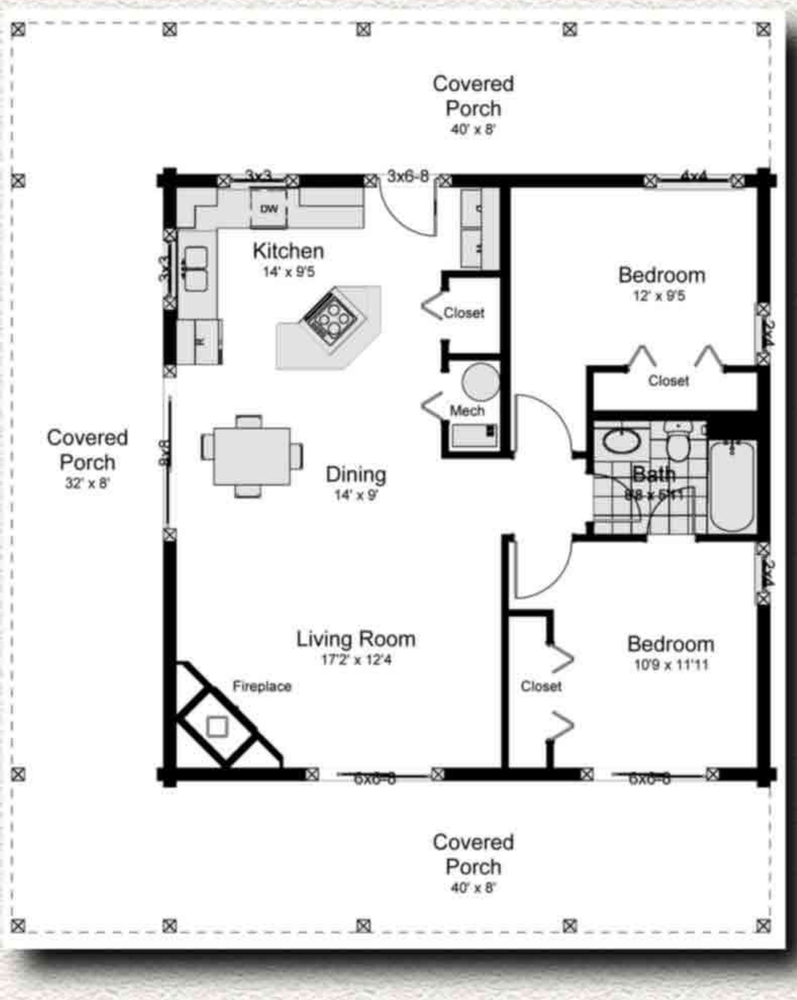
Wyoming Log Home Manufacturing Company

Red Grade

This simple yet functional, single level, log cabin is perfect for a vacation getaway or as a year round home for a starting family. It has two bedrooms, one bath and 896 square feet of covered porches on three sides. The open floor plan allows for continuous flow from the kitchen, through the dining room and into the living room. This floor plan has a lot of square footage for the money.



Bedrooms:	2
Baths:	1

Square Footage

Main Level	1,024 sq ft
