Total	12,436	sqft

Upper Level

This expansive five office, three half baths and one full bath, two-level log office complex is a dream come true. Meet with your clients in one of the three conference areas. The lower shop area contains a tool room, work area, main shop area, and a storage room. There is plenty of exterior storage under the eaves outside. The second level of the shop contains an apartment with a full kitchen, large living room and a bedroom with a walk in closet. This is perfect for either the business wishing to start or expand!
